

## Forthcoming Event

### Spring Litter Pick 2024

*Photo: Google Images*

The Society holds two litter picks during the year, one in the spring and one in autumn. The litter picks support the work of the Rangers and to help keep the Country Park looking as clean and tidy as possible.

This year's **Spring Litter Pick** will be held on **Saturday 23 March** - meet at the **Visitor Centre** (B45 8ER) in Warren Lane – **10.00am**. As in recent years, we will be joined by volunteers from Lickey and Blackwell Parish Council residents as part of the Great British Spring Clean.

Thanks to the work of the paid litter pickers and the vast number of enthusiastic volunteers, amounts of litter in the Country Park are generally quite low but there is always work to be done. Past experience indicates that there is always litter to be found along roads that border the Country Park.

Please join us for as long as you can manage; the event will finish at **12.00**. You will need to wear appropriate clothing and footwear. Gloves, litter pickers and sacks will be provided.
